

RESOLUTION NO. R-83-23

WHEREAS, the disposal of solid waste is an integral function of municipal government, and

WHEREAS, this function continues to absorb a large portion of the municipal budget, and

WHEREAS, the prospects for significant capital expenditures appear imminent, and

WHEREAS, the city council of the City of Conway will be faced with important decisions regarding solid waste.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CONWAY, ARKANSAS, THAT:

1. The mayor is hereby directed to seek out consultant services with expertise in the area of solid waste disposal.
2. That there should be at least three proposals presented to the council for the proposed study of solid waste disposal for the city of Conway, if possible.
3. That the proposed study should encompass all facets of solid waste disposal for the city of Conway, especially the following sections:
 - a. The present landfill
 1. life expectancy of the present landfill
 2. Any surrounding property adjacent to or immediately adjacent to the present landfill that may be suitable for solid waste disposal.
 3. Any alternative sites in Faulkner County
 4. Present municipal properties that may be suitable for a landfill
 5. Discussion of alternative method of disposal that may be advantageous to us in the future.

BE IT FURTHER RESOLVED that such proposals shall be presented to the Council for action at its August 9th meeting.

BE IT FURTHER RESOLVED that the selection of successful bidder by the City Council to provide solid waste consultant services to the City of Conway shall be based upon the following:

1. Cost
2. Extent of the proposed study
3. Time frame for completion
4. Services to be provided to the City
5. Follow-up service to be provided
6. Qualifications of the firm

PASSED this 14th day of June, 1983.

APPROVED:

Mayor

ATTEST:

City Clerk
