Log Cabin Democrat

Please publish the following notice on **Saturday, September 21, 2019** furnish one proof of publication to Jamie Brice at the Mayor's Office of the City of Conway.

"Notice"

Invitation for Proposal No. 2019-1912
Nuisance Abatement Services

The City of Conway is accepting proposals for contract mowing services to cut vegetation on residential, commercial and industrial properties that are in violation of the City's ordinance for overgrown vegetation. Overgrown vegetation is primarily grass and weeds (exceeding 7 inches), but can also include unbridled growth of wild vines, shrubs, or other vegetation. Properties should be cut, trimmed and all grass clippings removed. The City nuisance abatement services include removal of downed limbs, trash, debris, open storage, and other debris and yard waste when necessary. This may include minor trimming/removal of tree branches and other items. The successful Bidder will need to have multiple mowers, equipment and manpower sufficient to cut & clean approximately 5-40 properties a week, primarily during the grass season (May 1 –October 15), and/or for nuisance abatement purposes. These abatement tasks must be addressed in a timely manner in order to address the City code for nuisance abatement related to health and safety.

Interested Proposers may obtain the full proposal and specifications by contacting Jamie Brice at Jamie.brice@cityofconway.org, or 501.358.6810. Sealed Proposals must be in the Procurement Office 1201 Oak Street, Conway, AR no later than 10:00 a.m., Wednesday, October 16, 2019 to be considered.

The City of Conway reserves the right to reject any and all submittals received or any portions thereof. The City of Conway is an equal opportunity employer. The City of Conway is not responsible for lost or misguided Proposals.

Bart Castleberry
Mayor, City of Conway
