The Honorable Bart Castleberry
Mayor of Conway
1201 Oak Street
Conway, Arkansas 72032

Re: Job 080634
F.A.P. STPC-9095(40)
Hwy. 64/Hogan Ln. Signal (Conway) (S)
Faulkner County

Dear Mayor Castleberry:

State and Federal-aid job numbers have been assigned for the referenced intersection improvement project. As you are aware from the Department's August 26, 2019 letter, the City's estimated total project cost for a signal would be $1,335,550. Based on your latest request, a roundabout will be considered as a possible alternative for this intersection. Because federal and state funding through this program is capped for an individual project at $350,000 and $43,750, respectively, additional costs associated with construction of a roundabout would be passed on to the City.

At this time, we request that the City submit a check in the amount of $35,000, made payable to the Arkansas Department of Transportation. This will be the City's deposit for preliminary engineering associated with the project. This deposit will be applied to the City's matching share when the construction contract is awarded.

If you have any questions, please contact Ashley Smith or Daniel Siskowski in our Program Management Division at (501) 569-2481.

Sincerely,

Scott E. Bennett, P.E.
Director
